INTENT TO ENROLL

To reserve your space for Fall 2016, admitted applicants must complete the 3-step Intent to Enroll process:

1. Accept our Offer of Admissions

- Log onto your myCI and click on “CI Records.” Your login information was e-mailed upon submitting your application for admission.
- Scroll down to the bottom of the page (under “Admissions”) and “Accept” or “Decline” Admissions. After accepting our offer of admission, a yellow triangle ▲ will appear and remain until your final transcript has been reviewed over the summer. Check your “to do” list often (located on the right side of your CI Records page) for other enrollment requirements.
- Follow the link after you accept our offer of admissions for Step 2 to pay the non-refundable orientation fee.

2. Pay the Non-Refundable Orientation Fee: $175

Once you have completed Step 1 (accepting our offer of admission), the non-refundable $175 fee will be charged to your student account. Your orientation fee is due upon posting unless you have been granted a deferment (see below for details).

Note: If you log out after completing Step 1, you will need to visit the “Finance” section in CI Records to pay the orientation fee.

Deferment of the Student Orientation Fee

Students who filed a 2016-17 Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application on or before the March 2, 2016 priority deadline AND have an Estimated Family Contribution (EFC) of $4,000 or less will be considered for a deferment of the new student orientation fee. We are unable to grant a deferment until the results of your financial aid application (FAFSA or California Dream Act) is shared with us. If a deferment is not granted, you will need to pay your orientation fee by May 1, 2016.

Deferment means that payment of the orientation fee will be charged to your fall semester’s account if you enroll as planned AND you are found eligible to be covered by financial aid. If you choose not to enroll or your admission is canceled or rescinded, you are still held responsible for paying the orientation fee. Financial aid will not cover expenses owed to CI for failing to enroll as planned or when your admission is canceled or rescinded.

3. Choose a Mandatory Orientation Session

Log onto myCI. Under “my links,” click on “Orientation” in order to register for one of the below dates:

Orientation is a mandatory, 2-day, overnight program that will introduce you to important resources and services and provide you with critical academic advising information. You are required to attend the entire program. If you do not attend, arrive late or leave during any portion of the program, your admission will be withdrawn and you will need to reapply for the next available term. Parents/guardians are highly encouraged to attend.

*If you request to attend the August 5 session, you will be contacted by the Island View Orientation (IVO) Office and required to document your special circumstance. Requests must be received by May 15, 2016. The Orientation Office will determine whether or not to grant an exception to attend one of the four regularly scheduled orientation sessions. If your request is approved, you must attend the August 5 session. If you do not attend, arrive late, or leave during any portion of the program, your admission will be withdrawn and you will need to reapply for the next available term. The fee to attend the alternative program is also $175. If your request is not approved, you will be required to attend one of the four regularly scheduled orientation sessions listed above. Only students who have fully participated in orientation are allowed to register for classes.

Visit www.csuci.edu/nsotp/ivo/freshman.htm for additional information.

You must complete all three (3) steps of the Intent to Enroll process by Sunday, May 1, 2016 at 11:59 p.m. Your admissions offer is only good for the Fall 2016 term. You may not defer your enrollment to a later semester.
CI is committed to providing an excellent holistic living and learning experience for our students. Over 1,350 students currently live in housing, but that number will grow by 600 when Santa Rosa Village opens in Fall 2016. While on-campus housing is limited, we work hard to provide housing to every student who wants and needs it.

**Fall 2016 Housing Deadlines and Application Information**

Beginning in early April 2016, submit your housing application at myCI along with a $50 non-refundable fee.

- Enter your myCI login information.
- Under myLinks, select the Student Housing link, then Application.
- Select the term you are applying for under Term Selector: Academic Year (academic period admitted) then Save & Continue.
- Submit your application payment, housing application, and $1,500 deposit or housing fee deferral documentation by Monday, May 23, 2016 at 11:59 p.m. to secure on-campus housing.
- Freshmen who submit their application and deposit or housing fee deferral documentation by Monday, May 23, 2016 at 11:59 p.m. are guaranteed housing. Applications received after May 23rd will be placed on a waiting list and offered accommodations on a space-available basis.
- Payment for room and board is due on Tuesday, August 23, 2016. An installment payment plan is available for eligible students.

**Santa Rosa Village – Opening in Fall 2016**

Santa Rosa Village, currently under construction, will house 600 freshmen living in double rooms. Each 40-person community will include a common family room and shared bathrooms with a study room on each floor. The village courtyard and large communal living room, kitchen, and laundry facilities will provide beautiful and functional space for events and informal interaction.

**Santa Cruz Village Suites**

Santa Cruz Village (SCV) is home to some first-year students and all second-year students. SCV offers two-bedroom, one-bath furnished suites shared by four to six students. Each furnished suite has wireless Internet access.

Students admitted to CSU Channel Islands may be required to take placement exams in order to determine which Math and English course they need to enroll in for the fall term. These tests are called the English Placement Test (EPT) and the Entry Level Mathematics (ELM) exam. There are a number of ways to be exempt from these exams. Please refer to the chart below to determine which tests, if any, you may be required to take.

If the exemption status displayed in your myCI does not match your actual exemption status or the exemption status indicated by the Educational Testing Service (ETS), this means that CI does not have all your official test scores or college credit (if applicable). You are required to take the placement exams unless your official test scores and any transferable college credits prove your exemption status. If you need to take one or both of these exams, register now!

CI requires admitted freshmen who are “Not Yet Ready” or “Not Ready” to take the ELM and EPT no later than Saturday, May 7, 2016. You must register for the exam at least two weeks prior to the test date. To prepare for exams, visit the testing website at www.csuci.edu/admissions/elm_ept. You may take these exams at any CSU campus.

Importance of ELM/EPT Exams
Failure to take the EPT or ELM, or both, exam(s) by the deadline if required to do so will result in being ineligible to attend orientation and enroll in classes for the fall term. The scores you earn on the EPT and ELM exam will determine if you have to participate in the Early Start program. Because this can impact the length of time it will take you to earn your degree, we strongly recommend that you prepare for these exams. Visit www.csusuccess.org.

Outside of California
If you plan to take the EPT and ELM exam(s) outside of California, you must contact Educational Testing Services and make arrangements before Friday, April 1, 2016. After you take the exams, have your scores sent to CI as soon as they are available. There is an additional fee for taking the exams outside of California.

Learn more at www.ets.org/csu/registration/dates/
Early Assessment Program (EAP)
If you graduated from a public high school, you may have taken the Early Assessment Program (EAP) in your junior year. Results were sent to you in August. The below EAP Statuses determine whether or not you have to take the ELM/EPT. All admitted freshmen considered EAP “Not Yet Ready” or “Not Ready” are required by the CSU system to complete placement tests in both English and Math prior to enrolling in any courses.

“Not Yet Ready” or “Not Ready”
For English & Math College Level Courses

CAASPP EAP: Standard Nearly Met or Not Met
English: ACT: 18 or below / SAT: 450 or below
Math: ACT: 19 or below / SAT: 480 or below

Must Take CSU EPT and/or ELM

EPT Score of 147 or above
ELM Score of 50 or above

EPT Score below 147
ELM Score below 50

EXEMPT
from CSU Early Start Program. Student may enroll directly in college level courses upon admissions to CI.

NOT EXEMPT
Required to participate in the CSU Early Start Program (Unless you meet other Early Start Program exemptions) Go to www.csusuccess.org/earlystart/early-start-faq

“Ready”
You are exempt from either or both the ELM/EPT. In addition, you do not have to participate in the Early Start Program. You are eligible to take any college level Math or English class when you register for fall classes.

“Conditionally Ready”
If you are in an approved year-long senior experience course and will pass with a grade of “C-” or better, you will not have to take either/both the ELM/EPT. If you are not enrolled in an appropriate senior year experience course you must take the EPT or ELM, or both exam(s).

For an approved list of senior-year experience courses, visit www.csumathsuccess.org/conditionally_exempt and www.csuenglishsuccess.org/conditional_esw.

“Not Yet Ready” or “Not Ready”
If you are “Not Yet Ready” or “Not Ready,” you must take the EPT or ELM, or both exam(s).

Early Start Program
California State University requires that first-year students with remedial requirements in Math and English participate in the Early Start Program. Early Start allows students to begin working towards college readiness in the summer prior to their freshman year.

Early Start is required of all freshmen with an Entry Level Mathematics (ELM) exam score below 50 and an English Placement Test (EPT) score below 147, with some exceptions for out-of-state and international students. For more information, visit the CI Early Start website: www.csuci.edu/earlystart/

Failure to participate in Early Start if required to do so may result in being ineligible to enroll in classes for the fall term and cancellation of your enrollment.

**IMMUNIZATION REQUIREMENT**

**Measles, Mumps and Rubella (MMR)**  
*Students graduating from a California public high school on or after July 1, 1999, will have satisfied this requirement.* All other students (e.g., those graduating from a California private high school, home schooled or any out-of-state high school, or born after January 1, 1957), must provide proof of immunization. Two doses of MMR are required.

**Hepatitis B (Hep B)**  
*Students graduating from a California public high school on or after July 1, 1999, will have satisfied this requirement.* All new students who will be 18 years of age or younger at the start of their first term at CI must provide proof of full immunization against Hepatitis B. A complete series contains three timed doses over a 4 to 6 month period.

Please mail a copy of your immunization documents from your doctor’s office OR use the Immunization form (http://www.csuci.edu/studenthealth/docs/immunization-requirement.pdf) and send it to Student Health Services.

You can mail, email, or fax the documents:  
MAIL: CSU Channel Islands- Student Health Services, One University Drive, Camarillo, CA, 93012-8599  
FAX: 805-437-8829/ EMAIL: Student.health@csuci.edu

Failure to return this proof of immunity form may result in a hold being placed on your account. This action will prevent you from registering for classes in the following semester. Please call 805-437-8828 for additional information or if you have special circumstances.

**CALIFORNIA STATE RESIDENCY**

Residency determines admissions criteria and fee structure for all applicants. Your residency is determined by the information submitted in your application for admission and is referenced in your offer letter. University requirements for establishing residency are independent from those of other types of residency such as for tax purposes or other state or institutional residency. We will contact you if additional information is required to determine your residency. For additional information please visit: www.csuci.edu/admissions/residency.

**Are you a nonresident who graduated or will graduate from a California high school?**  
Assembly Bill 540 (AB540) is a California law that allows certain nonresidents who meet specified requirements to pay in-state fees (tuition) for California’s public colleges and universities. Any student, other than a non-immigrant, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California.

- The student must have attended a high school (public or private) in California for three (3) or more years OR have attended elementary and/or secondary schools in California for 3 or more years, AND by attaining academic credits from California high schools equivalent to 3 or more years of full-time course work.
- The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
- The student must file the Nonresident Tuition Exemption Form if requested to do so.

Nonresident students meeting the criteria will be exempt from the payment of nonresident tuition, but they will not be classified as California residents. They will continue to be nonresidents. For information on tuition for CA Residents and Nonresidents visit: www.csuci.edu/sbs/current-fee-schedule.htm

Where to Apply for Aid
If you have not already applied for Financial Aid, file a FAFSA or California Dream Act Application by Wednesday, March 2, 2016. If requested, you must submit all required and completed documents by the Financial Aid Priority Filing Deadline of Tuesday, May 3, 2016. To receive a tuition fee deferral and ensure timely processing of your financial aid award, you must meet the March 2, 2016 and, if applicable, the May 31, 2016 deadline. Remember, you pay for any difference between your financial aid award and your actual fees.

Tuition Fee Deferrals
Tuition fee deferrals are temporary and are issued to students who meet the priority filing and document deadlines (see above). Tuition fee deferrals will protect enrollment and delay the payment of registration fees until the financial aid process is completed. All tuition fee deferrals will expire Monday, September 5, 2016. At that time, fees must be paid by the set deadlines regardless of your financial aid status. Financial Aid students with tuition fee deferral should understand that the tuition fee deferral is for enrollment fees only and does not apply to orientation and housing charges.
