To reserve your space for fall 2016, admitted applicants must complete the 3-step Intent to Enroll process:

1. Accept our offer of admission;
2. Pay the non-refundable orientation fee of $50; and
3. Choose a mandatory orientation session.

You must complete all three steps in the above Intent to Enroll process by 11:59 p.m. on Sunday, May 1, 2016. Your admission is good only for the fall 2016 term; you may not defer your enrollment to a later semester.

STEP 1 OF 3: ACCEPT OUR OFFER OF ADMISSION
- Log into your myCI and click on “CI Records.” Your login information was emailed upon submitting your application for admission.
- Scroll down to the bottom of the page (under “Admissions”) and “Accept” or “Decline” Admissions. After accepting our offer of admission, a yellow triangle △ will appear and remain until your final transcripts have been reviewed over the summer. Continue to check your “To Do” list (located on the right side of your CI records page).
- Follow the link after you accept our offer of admission for Step 2 to pay the non-refundable orientation fee.

STEP 2 OF 3: PAY THE NON-REFUNDABLE ORIENTATION FEE: $50
Once you have completed Step 1 (accepted our offer of admission), the nonrefundable $50 fee will be charged to your student account. Your orientation fee is due immediately unless you have been granted a deferment (see reverse for details). You may also register a guest (e.g., parent, sibling) and purchase a T-shirt or other merchandise as part of Step 3. (Note: Any merchandise and guest registration must be paid immediately upon registration via credit card; no deferments are offered.)

STEP 3 OF 3: CHOOSE A MANDATORY ORIENTATION SESSION
Transfer Orientation is a mandatory, one-day program that will acquaint you with the campus, introduce you to important resources and services, and provide you with critical academic advising and registration information.

You are required to attend the entire program. If you do not attend, arrive late, or leave during any portion of the program, your admission will be withdrawn and you will need to reapply for the next available term. Visit www.csuci.edu/nsotp/ivo/transferhtm for additional information.

DEFERMENT OF THE NEW STUDENT ORIENTATION FEE

Students who filed a 2016-17 Free Application for Federal Student Aid (FAFSA) or the California Dream Act application on or before the March 2, 2016 priority deadline AND have an Estimated Family Contribution (EFC) of 4000 or less will be considered for a deferment of the new student orientation fee. We are unable to grant a deferment until the results of your financial aid application (FAFSA or Dream Act) is shared with us. If a deferment is not granted, you will need to pay your orientation fee by May 1, 2016. Deferment means that payment of the orientation fee will be charged to your fall semester’s account if you enroll as planned and may be covered by financial aid if you are found eligible. If you choose not to enroll or your admission is canceled or revoked, you are still held responsible for paying the orientation fee. Financial aid will not cover expenses owed to CSU Channel Islands if you fail to enroll as planned or when your admission is canceled or revoked.
