The President’s Council met on Monday, December 8, 2008 at 9:00 a.m. The meeting was held in the University Hall Training Room at California State University Channel Islands, One University Drive, Camarillo.

1. **President’s Reports (Rush)**
The President thanked all retiring members of the Council for their service.
No new information is available about the state of the budget. When the Executive Council meets next, we will get clarity about enrollment targets for 2009-10.

2. **Budget (Coville)**
This year’s CSU budget had an unallocated cut of $31 million. The State Legislature further cut the CSU budget by an additional $66 million, which is a permanent reduction in our base.
CSUCI’s share is about $1.5 million. Since we held some money in reserve, we will be able to manage this year with no staff layoffs. There will be a Brown Bag at noon today with the co-chair of the Strategic Budget Committee, Jackie Kilpatrick, to answer any questions.

3. **Enrollment (Sweetland)**
Jane Sweetland made a PowerPoint presentation on CSU enrollment management tools and the latest information from the Chancellor’s Office. Ginger Reyes gave a presentation on Fall 2009 applications.
